Please complete page 2 to enroll your student in our program. Please note the following requirements:

To enroll, you must pay a \$20 NONREFUNDABLE REGISTRATION FEE. In addition, a \$60 NONREFUNDABLE DEPOSIT is required for EACH WEEK that your child will attend. You may change your child's scheduled weeks or program (if space is available) provided you make these arrangements by June 1, but you may not reduce the total number of weeks your child will attend.

IF YOUR CHILD DOES NOT ATTEND, YOUR DEPOSIT FOR THAT WEEK WILL BE FORFEITED.

The balance of your fees will be due on the dates shown on page 2. **If the balance due is not paid when due, your child may not attend and your deposit will be forfeited.** Returned checks will incur a \$20 fee and must be replaced immediately with a payment by cash or money order. If you prepay in full for your child's schedule by Monday, June 1, you may deduct 2% off your total fees.

Your child must be in the required age range to join a specialty program. The general and specialty programs will combine during some periods of the day including lunch, field trips, swimming, group activities and extended care. *We reserve the right to cancel under-enrolled sessions or to close full sessions. In that case, the deposit for that session will be refunded or, at your request, transferred to another session.*

Payment of your registration fee and deposit must accompany this form. Payment must be by check, cash or money order. Registrations without payment will not reserve a place for your child. If it is past April 24, please call the school to verify that we have openings for a session. Some specialty classes may fill up before that date.

If your child was not enrolled in New Hope Academy during the school year:
You will need to provide copies of your child's birth certificate and current immunization records in order for your child to attend our summer program.

**Sessions will
fill up
quickly!**

**Enroll now to
ensure your
child's place !**
